Subject: [Region 10]] [Conference] Update

Two Brownfield Redevelopment Events in Two Days:

October 7th and 8th, in South Seattle!

(Note: check the bottom of this message for more Region 10 training events.)

October 7, 2015

Center for Creative Land Recycling

Presents

An Introduction to Brownfield Redevelopment

Time: 8:00am – 5:00pm

Location: Tukwila Community Center

12424 42nd Ave. South

Tukwila, WA 98168

Who Should Attend?

- Project Managers (public, private, and nonprofit)
- City Planners
- Construction Managers
- Redevelopment Managers
- Environmental Attorneys
- Practitioners engaged in the acquisition, funding, and development of properties

Curriculum

Covers the regulatory and legal framework, the environmental cleanup process, and potential funding sources for brownfield redevelopment projects. Topics include:

- The Federal & State regulatory framework
- Funding for public and public/private projects
- Case studies and dialogue with experienced practitioners
- Leveraging

Questions: Emma Leonard or 415-398-1080 x100

~~~~~

**October 8, 2015**

**Northwest Environmental Business Council (NEBC)**

Presents

## **Re-Using Contaminated Land**

**Time:** 8:30am - 5:00pm (reception following) **Location:** Hilton Hotel -Seattle Airport, 7620 International Blvd., Seattle, WA 98188

### **Who Should Attend?**

- \*\*\*\*\* Property owners - private & public
- \*\*\*\*\* Project developers & financiers
- \*\*\*\*\* Construction firms
- \*\*\*\*\* Local government & economic development staff
- \*\*\*\*\* Environmental & civil engineers
- \*\*\*\*\* Consultants and attorneys
- \*\*\*\*\* Government regulatory agencies

### **Curriculum**

Three educational tracks will cover:

- \*\*\*\*\* Development Issues & Tools

●\*\*\*\*\* Public Sector Strategies

●\*\*\*\*\* Regulations & Technologies

The expanding real estate market, along with a shortage of developable land, is placing renewed attention on properties with environmental challenges. These sites can provide attractive opportunities for those who know how to manage the challenges of assessment and cleanup, and how to collaborate with the private parties and public agencies.

(CE credits available!)
